

**YOU MUST USE GOOGLE CHROME  
AS YOUR WEB BROWSER!!!**

**IF YOU DO NOT HAVE A DELTAMATH ACCOUNT,  
follow the instructions on this page:**

Go to <http://www.deltamath.com>. Click on **Create Account** and then select **Student**.

A screenshot of the DeltaMath website's login page. The header includes the DeltaMath logo and navigation links for "What's New" and "Create Account". A dropdown menu under "Create Account" shows "Student" and "Teacher" options. A red arrow points from the "Student" option in the dropdown to the "Create Account" link in the header. Below the header is a "Please sign in" section with input fields for "E-mail" and "Password", and a "Login" button. To the left of the sign-in section is a banner image featuring three diverse students.

In the pop-up window, enter the **Teacher Code 341908**.

A screenshot of the DeltaMath website showing a "Create Student Account" pop-up window. The window has a title bar with "Create Student Account" and a close button. Inside the window, there is a "Teacher Code:" label and an empty text input field. A red arrow points from the text "341908" in the instruction above to the input field. A "Cancel" button is located in the bottom right corner of the pop-up window. The background shows the same login page as the previous screenshot, but it is dimmed.

## Instructions for Accessing AND/OR Setting Up an Account through deltamath.com

Once the Teacher Name loads, select the Class you will be enrolled in NEXT YEAR (NOT the one you just finished). Enter your **FIRST NAME** and **LAST NAME WHICH MUST MATCH SCHOOL RECORDS**. Enter your email and create a password.

The screenshot shows the 'Create Student Account' form on the Delta Math website. The form includes fields for Teacher Code (341908), Teacher Name (Mrs. Thomas), Student and Login Information, Class (a dropdown menu with options: 17-18 Algebra 1, 17-18 Algebra 2, 17-18 Calculus, 17-18 FOCA, 17-18 Geometry, 17-18 Integrated Math, 17-18 PreCalculus), First Name, Last Name, Email, Email (verify), Password, and Password (verify). A red arrow points from a callout box to the Class dropdown menu. Another callout box points to the Email field. A third callout box points to the Password field. The 'Create Account' button is green with a checkmark, and the 'Cancel' button is grey.

Select the Class you are enrolled in for next year (2017-2018). Do **NOT** choose the class you already completed last school year.

If you are enrolled in more than one math class for SEMESTER 1, you will need to add an additional class after you create your student account. See page 1 of this document for those instructions.

Once you are logged in, you will be taken to a screen which lists all of the tasks you have to complete for your summer assignment.

The screenshot shows the 'Upcoming Assignments' page on the Delta Math website. The page lists assignments for '2017-2018 Algebra 2'. The assignments are: Multiply Binomials (0/3), Two Step Equations (0/3), and Add and Subtract Fractions (0/3). A red arrow points from a callout box to the 'Multiply Binomials' title. Another callout box points to the '0%' completion percentage for the entire assignment. A third callout box points to the '0/3' completion status for the 'Multiply Binomials' task.

Assignment	Completion Percentage
2017-2018 Algebra 2	0%
? Multiply Binomials	0/3
? Two Step Equations	0/3
? Add and Subtract Fractions	0/3

Shows your completion percentage on the entire assignment.

Click on title to access the task.

Shows how many problems in each task are completed out of total required.
