PRINCIPAL'S MESSAGE

Dear Parents:

For the second year in a row, the staff of South River High School has been focusing on ninth grade student success. Research indicates that success in grade nine is a major factor in students flourishing during their high school years socially, emotionally and academically.

As always, we request your help. You can help continue to utilize "Parent Connect." Please check your child's progress on a regular basis. Also, encourage your child to seek help from teachers during the N.E.S.T. (lunch) hour.

Last year, over 98% of our ninth grade students were promoted to grade ten. This year, we have set our goal at 100%. With the help of parents, we can reach this lofty goal.

South River is now preparing for the 2017-2018 school year as the course selection process has begun. Help your child make proper course selections. Course selections can have a lasting impact on the future of all of our students.

Parents of current seniors should make sure their children are up-to-date in regard to senior activities, graduation information and possible obligations.

South River had an excellent fall sports season. Our field hockey team was state champions. Volleyball won a county championship as did our women's soccer team. Nick Boogades was the men's county and regional cross country champion. Joe Gaulin won the men's county golf championship. Sarah King in field hockey and Savanah Siegrist in volleyball were named "Players of the Year" in their respective sports by the Annapolis' **Capital** and the **Baltimore Sun**. Maureen Carter was named the Annapolis' **Capital** "Coach of the Year" in Volleyball and Megan Atkinson likewise for field hockey.

At South River High School, we believe in students and will continue to recognize them for their good citizenship. Here are our latest students of the month:

9th Grade Registration

Parents of Incoming 9th Graders are invited to attend the

9th Grade Registration Information Night

Wednesday, January 18, 2017
6:30pm

in the school auditorium.

Offerings will include explanations of registration procedures, required class sequencing, high school course credit, and registration processing and timelines.

PSAT Score Reports Coming

Juniors who took the PSAT in October will receive their

PSAT Score Reports during Advisory ***January 11, 2017.***

The Preliminary Scholastic Achievement Test (PSAT) is a standardized test, similar to the SAT used by colleges to select qualified candidates, which measures a student's reading, writing and math problem solving skills. Outstanding performance on the test can qualify a student for National Merit Scholarships and determine potential for success in Advanced Placement (AP) courses.

Course Selections for 2017/2018

*Course Selection Worksheets will be Distributed to Students
on or before the end of first semester.*

Students should choose wisely and parents are encouraged to review their child's choices before signing the form. Counselors will be meeting with each student to discuss classes and create a schedule. Final course selections will be based on what is needed to meet graduation requirements, the choices entered on the student's course selection worksheet and expected limits on class sizes.

For course descriptions and information on prerequisites, please refer to the high school program of study:
www.southerhigh.org

Course Change Information

It is the responsibility of the student to make course selections carefully with the help of teachers, parents and counselors. Occasionally, errors in scheduling do occur. If a course change is desired, students may request a change, **in writing** or on the form provided. **Deadline to request course changes for second semester is February 8, 2017.**

Course change requests must be accompanied by a parent/guardian signature.
