

Policies and Procedures for Preschoolers and Parents

Dress for Children:

The children will be engaged in active play, both indoors and outdoors, while at Little Seahawks Preschool. They should be dressed in comfortable, casual, washable clothes which can withstand active play (including assorted stains and dirt.)

We will go outside as the schedule/weather allows. Please be sure to send your child to school with outer garments suitable for the weather, especially during the winter months. In addition, your child's name should be on each item of outer garment, marked clearly and permanently.

In case of accidents, please bring an extra change of clothing and underwear for your child to be kept in the preschool. These should be placed in a plastic or paper bag, which is clearly labeled with your child's name.

Arrival and Departure from Preschool:

Preschool will meet from 9:00-1:45. Parents should accompany children to the doorway of the preschool room and meet them there at the end of the school day. ***Parents/caregivers must sign the child in upon arriving at school and must sign the child out when departing school.***

Please bring and pick up children **promptly** according to the specified times on the monthly calendar.

Absence of Children from Preschool:

If your child cannot attend school any given day or period of time, please send word by another parent or leave a telephone message (The telephone number for the child development preschool room is 410.956.5600 (X265). Mrs. Drury or Mrs. Szanyi may also be contacted by email. (ndrury@aacps.org / szanyi@aacps.org)

Children with colds or other illnesses should be kept home to prevent contamination of the other children.

Snack/Lunch Time:

Please have your child bring a lunch with a drink that can be easily served. Please, for safety concerns do not send food that needs to be microwaved. Lunch bags are to be placed in your child's cubbie.

*You will also need to provide a small snack/drink in a brown bag. Please write your child's name on the bag. Place the snack in the basket on the kitchen table when you arrive in the morning.

The preschool is closed any day that Anne Arundel County Schools are closed. In addition, when school has a delayed opening, there will be no preschool.
