

ParentCONNECTxp

Anne Arundel County Public Schools offers an easy-to-use secure website for parents/legal guardians of students in grades 1 – 12 to engage in their child’s academic success.

ParentCONNECTxp (PCxp) will be available starting September 9, 2014.

PCXP provides parents with the range of useful information...demographics, attendance, grades and school information.

Parents New to ParentCONNECTxp

Parents register for an account by going to the ParentCONNECTxp homepage and click on the ParentCONNECTxp button. Click the link to **Request Account** and complete the required information.

Schools compare the information you provide against the information in the student information system to validate the information. Within 24 to 48 hours, an email is sent with your user name and password to the email address provided during the registration process.

Adding Additional Students to Existing ParentCONNECTxp Account

A student can be added to an existing PCxp account by contacting your child’s school or by sending an email to parentconnectxp@aacps.org with the following information: Child's first and last name, grade and most importantly your ParentCONNECTxp User ID. Enter your child’s school name in the email subject line. A confirmation email is sent to the email address on file in the ParentCONNECTxp system.

Forgot your ParentCONNECTxp Password??

Click the **Forgot your password** link on the ParentCONNECTxp Member Login screen and then follow the prompts.
