Dear Community Member:

South River High School would like to include you in the special creation of our 2018 anniversary edition of the *Tides* yearbook. When up to 2400 students and staff receive their yearbook they will share it with family and friends—you want to be a part of that!

By placing an advertisement in this book, a collection of memories that will be instantly cherished and for years to come, you can reach a sought after South River demographic. Students and parents will recognize your business as a member of the community and a contributor to the school.

Imagine your advertisement on:

Full Page	\$400
Half Page	\$250
Quarter Page	\$150
Business Card Size	\$75
Folio Tab	\$50

After you have decided on the size you would like, please create an appropriate advertisement to be sent in to the school. Electronic copies are preferred and can be emailed to the Yearbook Adviser or your yearbook representative. If it would help you, your yearbook representative will make arrangements to pick up the design or our Business Manager can create one for you (proofs will be sent for approval if you prefer the latter option).

Please make your payment by check payable to South River High School to reserve and secure your advertisement space.

If you have any questions, please feel free to contact me at erospigliosi@aacps.org or by phone at 410-956-5600. Our students look forward to your support and, in turn, supporting you!

Sincerely,

Emily M. Rospigliosi
