

ON LINE MEAL BENEFIT APPLICATION

MOVING AWAY FROM PAPER

All students may apply to receive free or reduced-price meals in Anne Arundel County Public Schools. In the past, a paper application was sent home on the first day of school. We have also been accepting applications online for the past two years. This online application is available in English and Spanish and can be completed on a computer or smart phone. This process has proven to be faster for the student approval and to be more accurate. Therefore, effective August 2016, paper applications will no longer be available for all students. We will continue to provide paper applications for parents/guardians without access to a computer or smart phone; however, we will simply be providing a limited supply of these paper applications. Students may start applying the first week of August.
